NOTICE OF OPPOSITION

Opposer: CALIFORNIA ASSOCIATION OF SUNBEAM TIGER OWNERS  
Opposition No. \_\_\_\_\_

vs. SUNBEAM TIGER Application Serial No. 78357854

Applicant: Michael T. Hughes, Published in the Official  
Gazette on July 5, 2005.

Opposer, CALIFORNIA ASSOCIATION OF SUNBEAM TIGER OWNERS, a California corporation located and doing business at 18771 Paseo Picasso, Irvine, CA 92603, believes that it will be damaged by registration of the mark shown in Serial No. 78357854 and hereby opposes the same.

Description of Applicant's Application: Filed on January 26, 2004. Published for Opposition in the Official Gazette of July 5, 2005. Mark: SUNBEAM TIGER in international Classes 012 for Motor Vehicles to include automobiles and in International Class 025 for Clothing.

As grounds of opposition, Opposer alleges that:

1) Opposer, since December, 1976 has been and is currently using the trade name CALIFORNIA ASSOCIATION OF SUNBEAM TIGER OWNERS in interstate commerce in connection with the manufacture, promotion, advertising and sale of SUNBEAM TIGER automotive parts, services and related items of clothing.

Said use has been valid and continuous since the said date of first use and is currently being used by Opposer and has not been abandoned.

2) Opposer has published a newsletter to paying subscribers since 1976. The newsletter is entitled TIGER TALES, CALIFORNIA ASSOCIATION OF SUNBEAM TIGER OWNERS and incorporates a fanciful TIGER LOGO. The newsletter includes reports of automotive matters of interest to SUNBEAM TIGER contains advertising notices for Sunbeam Tiger automobiles and includes a listing of parts presently available for these said automobiles. It also lists dates and locales of CALIFORNIA ASSOCIATION OF SUNBEAM TIGER OWNERS sponsored or promoted events. The newsletter also lists official clothing which include T-shirts, jackets, hats and other items which include the SUNBEAM name and the TIGER name in various configurations.

3) Said use by the Opposer of the trade name CALIFORNIA ASSOCIATION OF SUNBEAM TIGER OWNERS above and in conjunction with SUNBEAM TIGER has extensive good will and consumer recognition built up by Opposer for over twenty-nine (29) years. This goodwill and recognition results from Opposers expenditure of substantial amounts of time,

effort and dollars in the manufacture, advertising, promotion and sale of opposers SUNBEAM TIGER related items in conjunction with Opposers trade name.

4) Opposer is most likely to be damaged by registration of applicants mark in that applicant will or will have the right to allege and enforce exclusive use of the SUNBEAM TIGER mark or possibly of SUNBEAM or TIGER to the detriment of Opposer. Opposers automotive and clothing items as set forth in the various issues of the magazine are related items, substantially similar to automotive items and clothing items sought for inclusion by applicants pending registration request.

5) Applicant is not the creator or original user of the SUNBEAM TIGER mark. The SUNBEAM TIGER automobile was first advertised and sold to the public in the United States in the mid 1960's through the late 1960's. The name SUNBEAM TIGER was used for an automobile that in the mid 1920's set the official land speed record. Applicant seeks to capitalize on that past and more recent history and seeks exclusivity without having any connection therewith.

6) In view of the similarity of the applicants mark and the substantially similar related nature of the automotive related items and services and clothing items offered by the opposer it is most likely that confusion, mistake and deception will most likely occur to the detriment both of the Opposer and the public.

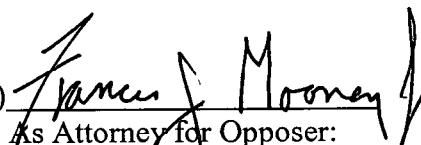

WHEREFORE, Opposer prays that said application Serial No. 78357854, be rejected, that no registration be issued thereon to applicant, and that this opposition be sustained in favor of Opposer.

Opposer hereby appoints Dunnington, Bartholow and Miller LLP, 477 Madison Avenue, New York, New York 10022 by Francis J. Mooney Jr., a member of the bar of the State of New York, to act as attorneys for Opposer herein, with full power to prosecute said opposition, to transact all relevant business with the Patent and Trademark Office and in the United States Courts and to receive all official communications in connection with this opposition.

Number 11

Sunday, October 10--The event was a first. California Association of Tiger-owners, following the guidelines set forth at Tigers United III, entered 40 Tigers in our first fall concours. The event took place at Rolling Hills Day School owned by Bob and Sandy Stokoe. At noon, Bob and Sandy opened the pool, iced the Coors, and started lining up Tigers. Before the day was over, a hand-selected panel of neutral judges (a bunch of guys whose Tiger couldn't make the 20-mile trip) gave top honors to Dave Bates in his Mark I. Second place went to Marty Cochran in a Mk I, and third to Charles Russell in a Mark I.

## Concours de Picnic

Two other competitive events drew equal interest. The first was the Ladies(?) Beer Guzzling. The fastest beer drinker was Georgette Jankowski; second, Jenny Daly; and third, Cheryl McKittrick. Believe me guys, these gals are tough competition. The second event was the Men's Beer Guzzling, which was less dramatic but quicker than Boss 302 with 544's across an intersection.. Tom Brook blew Marty Cochran and Jeff Rubble off the grounds by downing a short Coors in 2 seconds!

The day ended with some great food and a cool swim in the Stokoe's pool.

Funeral services were held Friday, November 19, 1976, for RICK RICHARDSON. Rick had been very active in CAT, assisted our Events people, had recently run for an elective office, and offered hours of assistance in planning, organizing, and participating in all our social and competitive activities. CAT will sincerely miss this outstanding human being.

## TIGERS UNITED 1987 JUNE 19-21 ATASCADERO, CALIFORNIA

Two shots of the beautiful custom Tiger owned and hand built by Chris Webber of Bellevue, Washington. Chris' car won the popular vote category at last year's Tigers United at Lake Tahoe. He had to build the car twice as it was wrecked after being completed only a few days the year before! Hand built means, in this case, everything. From the suspension to the engine to the navy blue paint. The car won rave reviews from crowds of people everywhere it went. To see more great Sunbeam cars and meet more great Sunbeam people, be sure to attend this years event, June 19-21. All details are inside this issue!

## TIGERS UNITED 1987 JUNE 19-21 ATASCADERO, CALIFORNIA

Two shots of the beautiful custom Tiger owned and hand built by Chris Webber of Bellevue, Washington. Chris' car won the popular vote category at last year's Tigers United at Lake Tahoe. He had to build the car twice as it was wrecked after being completed only a few days the year before! Hand built means, in this case, everything. From the suspension to the engine to the navy blue paint. The car won rave reviews from crowds of people everywhere it went. To see more great Sunbeam cars and meet more great Sunbeam people, be sure to attend this years event, June 19-21. All details are inside this issue!
